The New Age Insurance Broker

Cutting-Edge Strategies to Remain Competitive
in Asia's Changing Risk Landscape

The Asia Insurance Brokers' Summit, which commemorates the 40th Anniversary of the Singapore Insurance Brokers' Association (SIBA), provides a meaningful platform for the brokers in Asia to come together to look at critical issues affecting them in the changing risk profile of the region.

The Summit will look at cutting-edge strategies for insurance

brokers as well as corporate risk managers to reinforce their role as a valued partner of the industry and make it more professional and sustainable. It will focus on best practices as well as seek breakthrough ideas through a variety of interactive panel discussions, presentations and networking sessions with brokers, insurers, academics, consultants and risk experts.

SUMMIT will include speakers from leading insurers AIG and QBE, leading global professional services firm, Ernst & Young and Chief Representatives of Brokers' Associations including:
