India's journey towards becoming a global economic powerhouse is marked by ambitious goals and transformative visions. By 2047, India envisions itself as a fully developed nation, celebrating 100 years of independence.

The insurance industry, as a vital pillar of economic stability and growth, plays a crucial role in realizing this vision. The 18th India Rendezvous 2025 is dedicated to exploring how the insurance sector can align with and drive forward the nation's aspirations.

India's Vision 2047 aims for inclusive growth, technological advancement, and enhanced resilience against economic and environmental challenges. The insurance industry is at the forefront of this journey, tasked with safeguarding assets, lives, and businesses while fostering innovation and financial inclusion.

As the industry evolves, it must adapt to new risks, leverage cutting-edge technologies like artificial intelligence and blockchain, and develop products that cater to the diverse needs of India's vast population.

The future of insurance in India lies in its ability to bridge the protection gap, ensuring that every citizen, regardless of socio-economic status, has access to affordable and comprehensive insurance. This not only supports individual financial security but also contributes to the overall economic stability of the nation.

Additionally, as climate change and natural disasters pose increasing threats, the insurance sector must innovate and collaborate to create solutions that build resilience and protect the most vulnerable communities.

The 18th India Rendezvous 2025 serves as a platform for industry leaders, policymakers, and stakeholders to come together and chart a course towards achieving India's Vision 2047. It is a call to action for the insurance industry to think big, act boldly, and lead the way in transforming India into a secure, prosperous, and resilient nation.

As we embark on this journey, let us commit to harnessing the power of insurance to not only meet the challenges of today but to create a future where every Indian has the opportunity to thrive. Together, we can achieve India's vision for 2047 and beyond.

Who Should Attend

- CEOs and senior management of insurance and reinsurance companies
- Insurance and reinsurance brokers
- Management consultants and service providers, lawyers, technology companies and loss adjusters
- Regulators and supervisory authorities
- Risk managers
- Banks and financial institutions
- Companies keen to tap the potential of the India market

2nd IFSCA-IRDAI GIFT IFSC Global Reinsurance Summit 2025 – 20 January 2025

The IFSCA-IRDAI GIFT IFSC Global Reinsurance Summit is a prestigious event jointly organized by the International Financial Services Centres Authority (IFSCA), the Insurance Regulatory and Development Authority of India (IRDAI), and Gujarat International Finance Tec-City Co. Ltd (GIFT City).

This year we are pleased to host it in conjunction with the 18th India Rendezvous 2025. The summit is dedicated to the reinsurance sector, with a particular focus on the unique opportunities and advancements within the GIFT IFSC, India's international financial services centre.
